The order was placed and within 7 days I received the battery and was able to get the lift to my friend who needed it desperately, she was so happy. You can't ask for a better company. Got the correct part for our portable lift and price was good. It was simple, affordable and fast. 0 of 0 people found the following review helpful: Hoyer parts March 2, 2018 Reviewer: Mark J. Up and running now. I am pleased with this transaction. View All Customer Reviews Was this review helpful to you? However, it's super frustrating that you have to spend \$86 if all you need is one part out of the set. I was very surprised to get a call back within a few minutes, the lady was very pleasant and told me she would take the order and make sure it was placed on Monday. Shipping time was very good. 0 of 0 people found the following review helpful: I wish you didn't have to buy them all!
